

**Redmond Consulting, Inc.**  
Recruiters to the AEC Transportation Marketplace  
**AVIATION SURFACE RAIL TRANSIT**

**Current Search Bulletin #343**

**Position:** Project Manager, Aviation  
**Location:** Eastern US

---

**Our client is an ENR Ranked Top 10 Aviation Consultant. Offerings in aviation include architecture, design, planning, design-build, CM and PM.** Our client boasts it's most successful operation in the Eastern region of the U.S., servicing commercial service and general aviation clients throughout the area.

To complement the strengths of existing staff, we seek an experienced Project Manager who can oversee a staff of 6 – 8 designers and engineers, providing them with technical and professional guidance.

Experienced managers are strongly encouraged to inquire. However, this is also an excellent position for a Project Manager with previous airport/airside design experience to segue into a management role, with responsibility for identifying and leveraging the talents of a diverse group of production-level employees.

The exact title and job description for this position is dependent upon the person who best qualifies for the role, as responsibilities and business plans are often arranged to take advantage of individual talents and professional goals.

This position is supported by a senior aviation professional who can provide the team with Business Development expertise, and "keep the funnel full," per se.

**Requirements** include Project Management experience, a minimum of eight years' engineering experience, at least half of which must be with GA or commercial service airport clients. Solid communication skills are a strong indicator of success in this role, and past supervisory experience is also preferred. As with all positions of this nature, a BSCE is a minimum requirement, as is the ability to obtain a P.E. in the specific state location.

Curious parties are encouraged to contact **Josie Summa** at **904-683-7000**, or submit a resume or project biography to [resumes@redmondsearch.com](mailto:resumes@redmondsearch.com) (subject line: "Resume 343"), or **fax** the same to: **413-215-6352**. **All inquiries will be handled on a confidential basis.**

Relocation Assistance is provided for this position.
