AVIATION

We've recently been asked to conduct another search in the aviation marketplace.

317: Senior Noise Analyst/Project Manager - Airports - EAST or WEST Coast opportunities

Our client, a boutique noise & accoustics consultancy, is seeking a seasoned noise analyst to join their growing team. In this role, you will have an opportunity to leverage considerable bench strength and superior market positioning to service challenging and innovative projects at commercial and military aviation facilities throughout the world.

Requirements for consideration include an appropriate educational background and a *minimum* of five years' experience conducting noise analysis for airport master planning, Environmental Compliance studies (NEPA, etc), or noise abatement/sound insulation projects.

Interested parties can [submit](#) a formatted resume (please put "RESUME 317" in the subject field), or contact us directly at 904- 683-7000.
