Recruiters to the AEC Transportation Marketplace  
**AVIATION SURFACE RAIL TRANSIT**

**Current Search Bulletin #335**

**Rail Engineering Executives  
Sr. Project Managers Design/Construction  
Rail & Transit Planners**

**Redmond Consulting, Inc.** is a professional search firm involved in the recruitment and selection of *planners, civil engineers, and environmental scientists* within the surface, rail/transit and aviation transportation sectors. We simplify the job search process by providing one contact for a variety of opportunities, offering job screening, interview preparation and valuable feedback. All inquiries remain completely confidential.

- We are working to identify a **Sr. Railroad Project Manager (Freight)** who can lead/manage the design efforts for various Class I and industrial rail development projects from a position based in **Dallas, TX**. Successful candidate will be granted full oversight of the project schedules and budgets, will execute training for junior staff, serving as technical mentor to junior level design staff. Successful individual must be comfortable with client management and communication responsibilities, as s/he will be managing some of the firm's most valued customers.

Requirements: BSCE, PE license, Texas preferred. A minimum of 12 years' of progressive experience managing railroad corridor design projects. Must have experience working for and coordinating with Class I railroad projects

- A **Registered Professional Engineer** with a minimum of 8 years of **rail-industry related experience** is sought to champion the rail practice of an ENR Top 200 firm. Successful candidate will capitalize on existing rail projects to springboard a national practice in alignment with a self-directed business plan, fully backed by overall corporate strategy.

We have been selected to identify viable candidates for this career opportunity. Geographic location is currently open. Compensation will be commensurate to the capabilities and related experience of each unique candidate.

Curious parties are encouraged to contact **Josie Summa** at **904-683-7000**, or submit a resume or project biography to [resumes@redmondsearch.com](mailto:resumes@redmondsearch.com) (subject line: "Resume 334"), or **fax** the same to: **413-215-6352**. **All inquiries will be handled on a confidential basis.**
